

FYI: Qatar

Discover Business Opportunities in Qatar's Developing Knowledge-Based Economy

In Brief

Despite its small size, Qatar is the largest exporter of liquefied natural gas (LNG) in the world, with 107.1 billion cubic meters exported in 2019. To reduce the economy's reliance on hydrocarbons, Qatar is diversifying its economy into new and future economy areas.

Singapore is Qatar's:

Qatar is positioned to develop industries with potential for logistics due to their proximity to India, Pakistan, Iran, Iraq, Central Asian and Eastern African region

Qatar is focusing on developing SMART cities by implementing digital solutions in **5 priority areas** developing local incubators and attracting foreign technology companies for inward investment.

Technology

Healthcare

Sports

Environment

Transportation

Logistics

Qatar is focusing on downstream processing opportunities of Qatar's 3rd largest natural gas reserve in the world at 25 trillion cubic metres.
